

## **PhD-student offer in innovation management and entrepreneurship**

**Université libre de Bruxelles  
Solvay School of Economics and Management  
TIMES<sup>2</sup> research center**

Application deadline: March 10th, 2025.

Start date: May 1st, 2025 / As soon as possible.

Location: Solvay School of Economics and Management, Avenue Franklin Roosevelt 50, 1050 Brussels, Belgium.

### **Research Associate (m/f/d) at the Solvay School of Economics and Management, TIMES<sup>2</sup> research center.**

#### **Université libre de Bruxelles**

The Université libre de Bruxelles is a multicultural university with more than a third of its students and researchers from abroad. Internationalism is a daily reality at the Université libre de Bruxelles, where students live and work on campus in the image of Brussels, one of the most cosmopolitan cities in the world. It is committed to interdisciplinarity, internationality, and individuality in research and teaching.

#### **Your Responsibilities:**

- | You will work on the DFG-funded research project "Transitions between Innovation Projects: Key Elements and Team Processes," which is conducted in close cooperation with the Zeppelin University (ZU) in Friedrichshafen (Prof. Dr. Matthias Weiss) and based on quantitative and qualitative empirical methods.
- | Your work with your German PhD counterpart will significantly contribute to data collection, evaluation, and analysis and, ultimately, to the research project's success.
- | You will present your research results at leading national and international conferences like the Academy of Management's Annual Meeting.

#### **Your Profile:**

- | University degree (Master) in management or related fields (e.g., psychology).
- | Analytical thinking skills and knowledge of empirical research methods are required; initial experience applying these methods is advantageous.
- | English: fluent in speaking and writing.

- | Interdisciplinary mindset, ability to work effectively in a team, and motivation to learn and apply new skills and methods.

## Our Offer:

We are filling the following position starting May 1, 2025:

The position is project-based and funded by the Fonds National de la Recherche Scientifique (FNRS) for four years. It offers the possibility of working towards a doctorate. At Solvay School of Economics and Management, we offer you a position in an innovative, independent, and interdisciplinary research and learning environment. The research center TIMES<sup>2</sup> (<https://times2.ulb.be>) aims to make a significant scientific contribution to the research fields of entrepreneurship & innovation, which is also expressed through publications in leading international journals. Individualized support of junior researchers in academic and professional development is essential to our culture. You will also join the PhD-school (<https://sbsem.ulb.be/studies/phd-programmes>.)

## Interested?

We look forward to receiving your meaningful application, including your availability, by email by March 7, 2025, with the keyword "Weave-InnoTrans" to [judith.behrens@ulb.be](mailto:judith.behrens@ulb.be).

Your application should include:

- A detailed CV
- A cover letter of maximum two pages outlining why you are applying for this role and when you would be able to start;
- A copy of your university transcripts. Interviews will be conducted via Microsoft Teams.

## Equal opportunities policy

ULB's personnel management policy is geared towards diversity and equal opportunities.

We recruit candidates based on their skills, irrespective of age, gender, sexual orientation, origin, nationality, beliefs, disability, etc.

More details on the ULB gender and diversity policy are available at <https://www.ulb.be/en/ulb-gets-involved/diversity>
