Programme objectives

Learning to teach in the upper secondary education. Concerned courses are: chemistry, biology, history of sciences and pharmacy assistant formation program.

Programme's added value

thanks to their multidisciplinary formation in sciences and health, pharmacists are perfectly prepared to teach the above-cited subjects. Furthermore, pharmacist only may teach to the future pharmacy assistants.

ULB is the only University in the French community in Belgium to organize the teaching qualification for upper secondary education especially for pharmacists.

Teaching methods

Courses, seminars, exercises and training courses in a secondary school of the French community in Belgium.

International/Openness

Faculty of Sciences (ULB)

Job opportunities

courses in the upper secondary education in the pharmacy assistant formation program. Chemistry, biology, history of sciences are also exceptionally taught.
Teacher in the upper secondary education.

Jury President
François DUFRASNE
