Programme objectives
The programme provides the student with the opportunity of acquiring basic knowledge in a range of disciplines in such a way that he is able to bring light into complex social situations in an informed manner.

Programme's added value
This BA programmes provides a general education in a wide range of human sciences leading towards more than ten MA programmes that require analytical and thinking skills directly related to the working world.

During the bachelor period, students choose units which give them an initial orientation towards one of the following MA programmes:
- Occupational science
- Political science
- Public administration
- Sociology
- Anthropology
- Human resource management
- Population and development sciences
- Public health
- Criminology
- Performing arts
- Environmental studies
- Educational science

The bachelor as a whole provides a good background in languages. We provide:
- COACHING: the department has introduced a coaching programme targeting all students enrolled in the first bachelor year. It is run by a team of assistants. The aim of this coaching is to support students in their first steps at the University and to help them pass their exams.
- Exercise sessions;
- Guidance;
- Our teaching staff is available to answer your questions;
- It is also possible to consult your exam scripts.

You will have at your disposal:
- The human sciences library;
- Several specialist libraries;
- The faculty computer rooms;

Succeed in your studies
ULB offers a number of activities and resources that can help you develop a successful strategy before or during your studies.
You can make the transition to higher education easier by attending preparatory courses, summer classes, and information and orientation sessions, even before you start your studies at ULB.

During your studies, many people at ULB are there specifically to help you succeed: support staff in each faculty, (inter-)faculty guidance counsellors, tutors, and experts in academic methodology.

International/Openness

The Department has exchange agreements with more than a hundred partner universities in Europe and throughout the world.
