Programme objectives
To train future public administrators.

Programme's added value
ULB's Master in Public Administration was created not only to offer students the most relevant and stimulating training possible, but also to facilitate access to jobs that will enable them to continue their professional development. Its goal is to combine high-level academic education with a suitable preparation for professional life.

- Proactive teaching (case studies, group work, etc.)
- Meetings with practitioners
- A major public sector consulting assignment
- Practice-oriented teaching
- Rich employment and career perspectives
- Talks given by leading public service experts who regularly present various management challenges encountered in their institution and discuss them with the students.

Teaching methods
The MPA combines a number of different teaching methods: lectures, workshops, compilation and presentation of personal projects, a consulting assignment, a dissertation.

Succeed in your studies
ULB offers a number of activities and resources that can help you develop a successful strategy before or during your studies. You can make the transition to higher education easier by attending preparatory courses, summer classes, and information and orientation sessions, even before you start your studies at ULB.

During your studies, many people at ULB are there specifically to help you succeed: support staff in each faculty, (inter-)faculty guidance counsellors, tutors, and experts in academic methodology.

Job opportunities
This programme prepares you to become a team or project manager capable of taking charge of modernisation processes (change management) in the public sector. You will be responsible for implementing policies, designing new services, and managing innovative projects that benefit the public.

Tomorrow will see you working in...
... THE CIVIL SERVICE
At all levels: local, regional, national, European
In a wide range of institutions: ministries, agencies, public companies, associations, hospitals, etc.
In various positions: head of department, project manager, consultant, expert, parliamentary assistant, cabinet officer, etc.
In all sectors: environment, health, finance, economy, urban planning, employment services, social security, justice, education, etc.
What will you be doing?
Engaging with politicians
Defining strategies
Managing teams
Communicating with the public
Designing public services
Managing change projects
