Méthode(s) d'évaluation

Présentation orale et Travail personnel

Méthode(s) d'évaluation (complément)

The assessment will be based on two elements. One third of the final mark will be based on participation in class discussions. The two remaining thirds will be based on the final paper that students will have to produce individually or in teams. The paper will consist in a critical commentary of a suitable object (academic article or book, judgment of a national or an international court, works of fiction –including movies—, ...) in direct relation with the topic of the course and subject to approval.
