

Séminaire de recherche : Grèce

Lecturer

Didier VIVIERS (Coordinator)

Course mnemonic

HIST-B4200

ECTS credits

5 credits

Language(s) of instruction

French

Course period

Second term

Course content

The subject, varying every year, deals with Ancient Greek History (including under the Roman Empire).

Several sources are taken into account : literary, epigraphical and archaeological. The requested level of knowledge in ancient languages (latin and greek) may be adapted to the concerned section or sub-section.

Objectives (and/or specific learning outcomes)

There will be a different subject every academic year that aims to prepare the students in research work.

Teaching method and learning activities

The teacher leads the sessions in a participatory manner. Students may have to produce and present personal research (heuristics and historiography).

Contribution to the teaching profile

First contact and training to research

References, bibliography and recommended reading

Delivered during the seminar
