

Métaphysique

Lecturer

Antonino MAZZU (Coordinator)

Course mnemonic

PHIL-B305

ECTS credits

5 credits

Language(s) of instruction

French

Course period

Second term

Course content

The metaphysical expressions to be studied belong to the contemporary field (since Kant). Stress will be more particularly laid on the various forms of idealism. These will however be contextualized in the long history of the discipline and will be compared with other designs of first philosophy.

Objectives (and/or specific learning outcomes)

To learn how to recognize the metaphysical bases of the knowledge.

Teaching method and learning activities

Ex-cathedra course accompanied by the thorough reading of a significant text of the metaphysical tradition.

References, bibliography and recommended reading

Variable according to the author or the studied topic.
