Evaluation method(s)

written examination

Evaluation method(s) (additional information)

Optional dispensatory test in Januari + tests in 1st and 2nd session. The test includes:

> vocabulary questions (synonyms, antonyms, expressions)

> explanations of grammatical rules

> error detection (in a text or in sentences)

> dictation: 300 to 350 words

Determination of the mark (including the weighting of partial marks)

A score out of 50 is assigned, which will be reduced to 20

This is made up as follows

Dictation: 20 points

Error detection: 15 points

Vocabulary: 5 points

Explanation of rules: 10 points

For dictation and error detection, one point is deducted for a customary spelling error and three points for a grammatical spelling error. Beyond 15 errors in total for these two sub-tests, an exclusion score of 4 is automatically assigned.

A minimum of 2.5 points out of 5 must be obtained on the vocabulary test for the remainder of the exam to be corrected.
