

Topics in the analysis of partial differential equations

Lecturers

Denis BONHEURE (Coordinator) and Mitia Duerinckx

Course mnemonic

MATH-F433

ECTS credits

5 credits

Language(s) of instruction

French

Course period

Second term

Pre-requisites and co-requisites

Co-requisites courses

MATH-F411 | Analyse fonctionnelle | 5 crédits and MATH-F412 | Méthodes variationnelles et équations aux dérivées partielles | 5 crédits

Programmes

Programmes proposing this course at the faculty of Sciences

MA-MATH | **Master in Mathematics** | finalité Research/unit 1 and finalité Research/unit 2
