Succeed in your studies

Choose

The information and guidance counsellors at the InfOR-études [<https://www.ulb.be/en/studies-info-desk-1>] service will help you choose your studies throughout the year.

Succeed

Take part in preparatory courses [<https://www.ulb.be/en/studies-info-desk-1>] or get help to succeed [<https://www.ulb.be/en/studies-info-desk-1>], before or during your studies.

Get help

Apply for financial aid, look for accommodation or a student job, get support [<https://www.ulb.be/fr/aides-services-et-accompagnement/aid-services-and-support-1>] for your specific needs.

Job opportunities

If you go on to do a Master in Law, you will be able to move into the following professions:

- > Lawyer
- > Judge
- > Corporate lawyer (bank, insurance, consultancy)
- > Process
- > A post within an international organisation or diplomatic service

If, after your BA studies, you wish to do a Master in another subject, you could opt for criminology.

You could also move into research in the following areas: Economic law, tax law, international law, Criminology etc

Programme objectives

Fulfil your personal ambitions by developing your skills in legal reasoning (e.g.: analysing a legal problem and finding an appropriate solution), your logical reasoning, your critical and analytical ability. At the end of your bachelor's course, you will have a solid grounding in law and a general grounding in human sciences.

Programme's added value

Whether you are interested in a legal career or not, your studies will help you become independent individuals since our law courses are people-centred and provide you with many opportunities for self-fulfilment (especially: learning how to think for yourself and learning the best research methods). Good to know: a bachelor's degree in Law is also organised in Mons, in the framework of the collaboration between ULB and the University of Mons within the Académie universitaire Wallonie-Bruxelles.

You have at your disposal:

- > A methodology room
- > PCs
- > A law library
