

MA-DENT | 2024-2025

Master in Dentistry

The 2024-2025 programme is subject to change. It is provided for information purposes only.

Programme mnemonic

MA-DENT

> Focus *Professional* : M-DENTS

Studies level

Master 120 credits

Learning language

french

Schedule

office hours

Studies category / subcategory

Health / Dental sciences

Campus

Erasme

Teaching methods

Theoretical courses, practical taching, stages

Succeed in your studies

Choose

The information and guidance counsellors at the InfOR-études [<https://www.ulb.be/en/studies-info-desk-1>] service will help you choose your studies throughout the year.

Succeed

Take part in preparatory courses [<https://www.ulb.be/en/studies-info-desk-1>] or get help to succeed [<https://www.ulb.be/en/studies-info-desk-1>] , before or during your studies.

Get help

Apply for financial aid, look for accommodation or a student job, get support [<https://www.ulb.be/fr/aides-services-et-accompagnement/aid-services-and-support-1>] for your specific needs.

Programme objectives

At the end of the course, successful graduates will have both the professional skills (up-to-date knowledge, know-how, accuracy, scientific thoroughness, etc.) and the inter-personal skills (appropriate attitude, empathy, stress management, etc.) required to be a dental practitioner. Their knowledge of clinical and technical skills will enable them to go on to additional Masters courses in Dentistry (general dentistry, orthodontics, periodontology).

Programme's added value

A large part of the timetable is given over to placements in a sizeable network of training hospitals, including the Erasmus teaching hospital and the Brussels University Hospitals (Saint Pierre, Brugmann, HUDERF).

Large stage network

International/Openness

Dentistry department of the VUB

Job opportunities

Dentist

dentist in free practice or in hospital, researcher in odontology, professional in dental health
