Focus Professional: M-GESTM

Studies level
Master 120 credits

Learning language
english

Schedule
office hours

Studies category / subcategory
Economics and business management / Business management

Campus
Solbosch

Programme objectives
The Master in Management Science is a demanding programme that aims to train students in all core disciplines and areas relevant to business management. Its key distinguishing features are the size of its first year common core (advanced mandatory courses)—which provides students with a solid base of knowledge and skills—, its strong emphasis on analytical skills, and its multi-disciplinary nature (law, economics, management, communication, and languages)—which provides students with a breadth of tools and approaches to evolve in an increasingly complex and dynamic world. A wide selection of electives in the second year allows students to pursue their intellectual interests in all disciplines of management or apply their skills in a supervised consulting project with partner companies.

Programme’s added value
What the Solvay Brussels School has to offer:

- A location at the heart of Europe, within a comprehensive research university: the Université libre de Bruxelles.
- An international faculty with a staff of high-level researchers and accomplished practitioners, who work together to ensure that the training they provide is both relevant for business and policy practice and corresponds to the state of art.

- A tradition of rigorous and demanding curricula based on solid multidisciplinary and analytical training, promoting critical thinking and problem-solving skills.
- A diversity of teaching methods that are constantly revised to ensure teaching effectiveness.
- A diverse and international student body (up to 80% in some Master programmes).
- A comprehensive educational offering covering economics and business from the bachelor to in-company training.
- Accreditation from EQUIS (European Foundation for Management Development) and AMBA (Association of Masters of Business Administration). AACSB (Association to Advance Collegiate Schools of Business) accreditation is underway.

Career services
SBS-EM offers its students a number of resources for career development:

- Credited work placements [http://www.solvay.edu/credited-internship-programme] (full-time, 3-month minimum – 6-month maximum) allow participating students to gain work experience, apply their academic training, and develop their professional network before graduation.
- Career services [http://www.solvay.edu/career-services] provide practical guidance and preparation for the job market (workshops, writing a CV and a cover letter, simulated interviews, LinkedIn profile management, etc.) and organise events (lectures and seminars) with prominent business figures, presenting companies and their employment opportunities. Over the years, the SBS-EM has developed a wide network of recruiters and alumni and has established contacts with companies throughout Belgium and around the world.
- From their graduation onwards, students benefit from a strong and active alumni network [http://www.solvay.edu/alumni] with 23,000 members in 100 countries.

Study-abroad programmes
The Master in Management Science offers several opportunities to study abroad:

- The international exchange programme [http://www.solvay.edu/outgoing-students], with more than 130 partner universities in 40 countries
- The Master with the QTEM network [http://www.solvay.edu/master-qtem]
Teaching methods

SBS-EM programmes emphasise the acquisition of both analytical and problem-solving skills. They combine conceptual courses—where students learn techniques and their theoretical underpinnings—with practical workshops and individual and team-based projects—where students can test their understanding of the theory and develop their ability to apply it creatively to real problems. Critical, creative, and independent thinking is required.

SBS-EM leverages its wide-ranging international exchange programmes to offer students training opportunities abroad during their studies. This Master also gives students the possibility to include a credited work placement in their curriculum.

Succeed in your studies

Choose
The information and guidance counsellors at the InfOR-études [https://www.ulb.be/en/studies-info-desk-1] service will help you choose your studies throughout the year.

Succeed

Get help
Apply for financial aid, look for accommodation or a student job, get support [https://www.ulb.be/fr/aides-services-et-accompagnement/aid-services-and-support-1] for your specific needs.

International/Openness

SBS-EM prepares its graduates for careers in multicultural and international environments. The curriculum includes language courses, which enable students to work in multilingual environments. Most courses cover the international dimensions of policy and management decision-making. Lastly, students can avail themselves of a rich offering of study-abroad programmes. These international experiences offer them an opportunity to enrich their curriculum and broaden their horizons, and are an essential element of professional life in a globalised world.

International Exchange Programme

Students may spend one semester abroad in one of our 130 partner universities. For more information, visit www.solvay.edu/outgoing-students [http://www.solvay.edu/outgoing-students]. The QTEM networked master

Qualified students in the Master in Management Science can enrol in the Quantitative Techniques for Economics and Management (QTEM) Master programme. The QTEM master gives participants enhanced training in quantitative and analytical skills and two international experiences (two exchange periods or one exchange period and one long-term work placement). The QTEM network currently includes 23 partners. For more information, visit www.qtem.org.

Job opportunities

The comprehensive and multivalent nature of this programme gives our graduates access to a wide range of careers, from consulting and audit to executive positions, including:

- Executive positions in any type of organisation (public, private, or NGOs) and sectors
- Management, strategy, and IT consulting
- Auditing or management control
- Entrepreneurship
- Commercial management

Notable alumni include:

- Bernard de Launoit, Executive President, Chapel Musicale Reine Elisabeth
- Olivier Legrain, Chief Executive Officer, IBA (Biotechnology)
- Natalia Vazilenko, Strategy and Operations Lead, Google Search and Assistant
- Daniel Weekers, Chief Executive Officer, Be TV
- Olivier Willock, Chief Executive Officer, Chambre de Commerce et Union des Entreprises de Bruxelles (BECI)

- 5 credits [lecture: 60h]
- first term
- French

### Français langue étrangère - Niveau moyen 2 | Sabina GOLA (Coordinator) and Murielle Uyterelst
- 5 credits [lecture: 60h]
- second term
- French

### Français langue étrangère Niveau avancé 1 | Sabina GOLA (Coordinator) and Nathalie DELCHAMBRE
- 5 credits [lecture: 60h]
- first term
- French

### Français langue étrangère Niveau avancé 2 | Sabina GOLA (Coordinator) and Murielle Uyterelst
- 5 credits [lecture: 60h]
- second term
- French

### Allemand IV | Dorothea GASSENMEYER (Coordinator)
- 5 credits [lecture: 24h]
- academic year
- German

### Néerlandais IV | Christelle JUSSIANT (Coordinator) and Sofie VAN GEIJN
- 5 credits [language practice: 24h]
- first and second terms
- Dutch

### Arabe dialectal | Xavier LUFFIN (Coordinator) and Lara Khaled
- 5 credits [language practice: 24h]
- second term
- Arabic

---

**An alternative chosen from the two following**

**Practical experience**

For those who are doing an exchange program: select a field project (allocation based on a selection process)

**Select a field project**

(Allocation based on a selection process)

**One course chosen from the following**

### Interfaculty and interdisciplinary program in Healthcare Innovation | Hilde STEVENS (Coordinator)
- 5 credits [lecture: 40h, tutorial classes: 20h]
- second term
- English
Field project: IT governance | Georges ATAYA (Coordinator)

GEST-S530
(20 credits [seminars: 12h]  1 academic year  English/French)

Field project: HRM

GEST-S546
(20 credits [seminars: 12h]  1 second term  French)

Field project: Jean MATTIJS (Coordinator), Georges ATAYA, Jorn Mannaerts, Jean-Jacques VIALA, MICHEL VLASSELAER and Olivier WITMEUR
