Master in Economics : General
Focus Business Economics

Both variants of the Master consist in a common core of required courses, along with a series of elective courses, and both require students to write a dissertation.

The following tables provide an overview of each programme’s structure.

The Master in Business Economics offers three specialisation tracks, which must be chosen at the time of registration.

- EU Regulation and Economy,
- EU and International Business,
- Financial Markets and Services.

The Master in Economic Analysis and European Policy offers three specialisation tracks:

- Europe and the World,
- Innovation and Markets,
- Socio-economic Policy.
