Both variants of the Master consist in a common core of required courses, along with a series of elective courses, and both require students to write a dissertation.

The following tables provide an overview of each programme’s structure.

The Master in Business Economics offers three specialisation tracks, which must be chosen at the time of registration.

- EU Regulation and Economy
- EU and International Business
- Financial Markets and Services

The Master in Economic Analysis and European Policy offers three specialisation tracks:

- Europe and the World
- Innovation and Markets
- Socio-economic Policy
