

Master in Economics : General

Focus Business Economics

Both variants of the Master consist in a common core of required courses, along with a series of elective courses, and both require students to write a dissertation.

The following tables provide an overview of each programme's structure.

The Master in **Business Economics** offers three specialisation tracks, which must be chosen at the time of registration.

- > EU Regulation and Economy,
- > EU and International Business,
- > Financial Markets and Services.

The Master in **Economic Analysis and European Policy** offers three specialisation tracks :

- > Europe and the World,
- > Innovation and Markets,
- > < Socio-economic Policy.
