The Master in European Studies is a program taught both in English and French, is resolutely open to multidisciplinarity. The programme includes a common module with courses in fundamental disciplines of European studies, namely history, political science, law, economics and international relations, as well as specialized courses linked to the track. All students will also take part in a methodological research seminar for preparing their Master thesis, and they will engage with professionalisation activities (a namely a seminar and an internship) in order to prepare their transition towards work.
