Master in Political Sciences : General (60 credits)
Option JOUR

The day-time program fully taught in English offers:

▷ The choice between **two tracks**: international relations, and EU affairs, politics & government.
▷ A solid **training in methods** to support the writing of your Final Dissertation (FD).

Students admitted in the program who do not hold a bachelor’s in political science (or equivalent) can be given an **additional program**. The courses in this additional program are courses from the bachelor’s in political science. Some might be taught in French. Students are informed of these admission requirements before registration.
